GROWERS OF EVERGREEN TREES

Fryeburg, Maine

Tree Time—1951

Dear Friend:

Here is my Wholesale Price List for Spring showing all available Evergreen tree stock.

Due to the ever increasing demand for my Maine-grown Trees it has not been possible for me to raise them fast enough to fill the demand. Most of my supply is "spoken for" months in advance of the digging season. Also, it has been somewhat of a problem these past few years to get some varieties of Evergreen tree seed.

Even though this is a limited list, I know you will find some varieties that you will want to plant. And if you compare these prices with those of a year ago, you will notice that I have kept my prices down in spite of increased nursery production costs. In fact, I have LOWERED the price on Mugho Pine. My promise, now as always, is to give you the finest of GUARANTEED-TO-LIVE Evergreens at the lowest possible prices.

May I have your order for these Trees promptly? I will ship them to you just as quickly as I can dig them next Spring.

Cordially yours,

Your Friend at the Nursery
